**Days must be consistent with contract						

**Tuition Assistance** Financial assistance in the form of scholarship is available through the school; we welcome applicants. Parents who wish to apply should complete the *School and Student Service (SSS) Application* of NAIS (New England Association of Independent Schools). Applications should be mailed directly to *the School and Student Service*. A copy of the completed form should be given to the Director, along with both parents' state and federal income tax returns. Check with the office for application dates. The Scholarship Committee will consider each application for financial aid.

**BHNS Payment Policies** Beacon Hill Nursery School does not offer its own payment plans. Academic Management Service offers payment plans that many of our parents use. All payments to AMS must be paid in full by April 1. Information and application forms are available from the school's Business Manager.

The \$1,500 non-refundable tuition deposit is due upon acceptance and will be applied to the last payment for the year. A \$50 late fee will be charged and interest (1½ % per month) will be applied monthly to any overdue account. In the event that tuition is not paid in a timely manner the school may terminate the child's enrollment.

The Executive Committee may grant special exemptions to these policies after receipt of a written application from the family. Such request for exemption should be made as promptly as possible and given to the executive director for distribution to and consideration by the Executive Committee.

**Fundraising** A continuous effort is made to close the gap between school expenses and tuition income. Income from tuition does not cover the cost of operating the school. Fundraising activities, organized and run by parents, have been used to provide funds for budgeted deficits from operations, capital improvements, and financial aid.

The school counts on the support of parents and friends in organizing these fundraising events. These include the **Book Sale** and the **Spring Auction**. In addition, an **Annual Appeal** is presented to parents and friends of the school. Any parent interested in helping the school with fundraising activities should contact the executive director.
